

ROBO CALL JUNE 18, 2026

Good afternoon, this is Fr. Joe your pastor. I hope you are all doing well.

Remember that this Sunday is Father's Day – make sure you celebrate.

As you will notice when you arrive on campus, our Holy Family School site preparation construction work has begun. The concrete pad from the old school is being taken up, the back parking lot will be extended and a new playground will be constructed. All this will be done before school resumes in August. I understand that this causes more than a little inconvenience, so thank you for your patience.

We are having a fantastic Vacation Bible School this week. Please keep the children, youth leaders and adult leaders in your prayers as we conclude this year's VBS tomorrow.

For more information and updates, please visit the church website at *www.saintjosephcc.com*.

In the meantime, I continue to keep you in my thoughts and prayers each day. Take care and be safe.
