CHURCH'S VIEW ON CREMATION

In 1963, the Church issued guidance on cremation and the burial of the cremains. Permission for cremation was incorporated into Canon Law of 1983 (Canon #1176) as well as into the Order of Christian Funerals.

The Bishops of the United States and Holy See have now authorized the celebration of a Catholic Funeral Liturgy with the cremains when the body is cremated before the funeral. The church then encourages placement of the cremains in a final resting place.

The final resting place may be burial in a traditional cemetery plot, or in a columbarium niche.

COLUMBARIUM

The Columbarium will provide a prayerful, private, and beautiful site on the parish grounds for the permanent place of rest and remembrance for our departed loved ones.

Displaying the Station of the Cross on each pillar surrounding the Columbarium will add a visual opportunity for meditation on the life of Jesus and his promise of eternal life.

Each Station will be embedded into one of 15 pillars along the perimeter of the Columbarium grounds.
